Summer Semester 2014 Completion Scholarship Requirements & Application

Utah Valley University created this Summer Semester Scholarship to help students within two semesters of graduating to attend summer and put them a semester closer to graduation.

This scholarship is designed as part of Utah Valley University’s Completion Initiative, providing students with resources to complete and graduate with their degree. Summer semester is one of the options available to assist students in their studies.

Federal Pell Grants are available up to 24 credit hours during the academic school year, and many students use those funds for fall and spring semesters leaving no additional funds to attend summer semester.

Requirements of Eligibility:
- Have 96 credits completed towards a Bachelor’s degree or 50 credits towards an Associate’s degree and be within two semesters of graduation.
- Graduating within two semesters
  - Either Fall 2014 or Spring 2015, including Summer semester
- Have a minimum of 2.7 GPA
- Not receiving any Federal Pell Grant or other financial aid for summer 2014.
- An EFC of 7,771 or lower
- Residency is required [http://www.uvu.edu/admissions/residency/index.html](http://www.uvu.edu/admissions/residency/index.html)

Do you meet these requirements? Here are the next steps:
- Complete the application (attached)
- Complete the Federal Student Aid (FAFSA) form or attach FAFSA4caster. To complete FAFSA4caster go to [https://fafsa.ed.gov/FAFSA/app/f4cForm?execution=e1s](https://fafsa.ed.gov/FAFSA/app/f4cForm?execution=e1s)
- Attach your Wolverine Track plan to application
- Meet with your advisor and have them sign your application to verify schedule and graduation date
- Outline and attach your anticipated summer semester schedule
  - Enroll in a minimum of 6 credits

I have met all of the requirements for the application of this scholarship application.

I understand that not all students will receive a scholarship and it is dependent on funding availability. I also understand that priority will be given to students within two semesters of graduation and to those with financial need. Scholarship amounts will be awarded based on the number of credits enrolled during summer semester.
