Looking for a FUN COURSE to get into for Fall?

EGDT 1050 – Introduction to 3D Printing
1st Block Evening Course on Tue. & Thur. from 6:00 p.m. to 7:50 p.m. - NO PREREQUISITES

Covers the acquisition of 3D print files and teaches basic 3D computer modeling skills using common 3D modeling software. Introduces 3D printing software and the use of 3D printers to produce prototype or functional models. Students will create and print projects given as class assignments and model and print a project of their choosing.
