Registering early can lead to success!
To help you prepare to succeed in your academic courses,
it is recommended that you select your classes and register early.

- Online registration will be available through the ‘Last Day to Add’.
- A $10 late registration fee will be charged for each course added late and instructor/department approval will be required.
- For late registration, instructors will email their approval to the appropriate department, please allow up to two business days for the override approval to be in place.
- Once the override has been entered, you may register online through myUVU. (This process will not override any unmet prerequisites or classroom limits for that course.)
- After the ‘Last Day to Add’, adding a class will only be by exception, approved by the department that offers the course and the Dean.
- A $30 late registration fee will be charged for each course added by exception.
- After the last day to drop a course and receive a 100% refund (any refund), you will receive a “W” grade for withdrawn classes and will be charged the full cost of tuition and fees.

Classes will be dropped **ONLY ONE TIME** for nonpayment. This will happen on December 7. Classes will not be reinstated. If classes have been dropped, students will need to pay a $50 re-activation fee prior to being eligible for any class registration or placement on a wait list.

**Register on myUVU:**
